Work Offered

Celestica is an international company specializes in high-reliability design, manufacturing and supply chain solutions that brings global expertise at every stage of product development, from the drawing board to full-scale production and after-market services. Celestica has set up centralized design centers in Shanghai and Dongguan. The company will decide where you are going to take your IAESTE experience, depending on your specialization.

Here below a general job description with the possible projects that your mentor/supervisor will assign you depending on your specialization, interest and knowledge. (Please mention on your cover letter your specialization and interest).

PROJECT 1: (More related to Electrical Engineering)

- Assist your mentor/supervisor on other day-to-day jobs.
- Cooperate with structural engineer and hardware engineer to design products.
- Participate in the preparation and maintenance of design and development documents.
- Complete the electrical design of products under the guidance of senior engineers.
- Help the team improve relevant design documents and drawings.

PROJECT 2: (More related to Mechanical Engineering/Thermal Engineering)

- Assist your mentor/supervisor on other day-to-day jobs.
- Assist thermal design development for various electronic products, server/storage product.
- Design robust thermal solutions to meet product specifications, and cooperate with Software team to implement fan speed control strategy.
- Support document thermal test plan and perform thermal, air flow/impedance, acoustic measurements.
- Work with function team to identify root cause of system failure.
- Keep tracking on leading-edge cooling technology and trend.

<i>Number of weeks offered:</i>	10 - 12	<i>Working environment:</i>	Research and development;Office work
<i>Within the months:</i>	06-JUL-2020 - 30-SEP-2020	<i>Gross pay:</i>	2000 CNY / Month
<i>Or within:</i>	-	<i>Deduction to be expected:</i>	0
<i>Company closed within:</i>	-	<i>Payment method / time of first payment:</i>	Cash /

Latest possible start date:

Accommodation

<i>Canteen at work:</i>	Yes	<i>Estimated cost of lodging:</i>	0 CNY / Month
<i>Expected type of accommodation:</i>	Apartment	<i>Estimated cost of living incl. lodging:</i>	1000 CNY / Month
