Work Offered

Ernst & Young (EY) is one of the largest multinational professional services firms in the world. Headquartered in London, United Kingdom. EY Nigeria offers professional services including assurance, audit, tax, financial, and business advisory services to automotive, financial, government, entertainment, mining, real estate, technology, and telecommunication industries to major corporations both public and private sectors in Nigeria. See www.ey.com.

As a Trainee, you will experience on-going professional development through our world-class learning and mentor programs, building your local and global network, and our flexible culture. All of these is to guarantee our employee value proposition holds true for you – Whenever you join, however long you stay, the exceptional EY experience lasts a lifetime.

Our Assurance business is one of the most trusted, respected and influential Practice in the industry. As part of our team of 89,500+ professionals, you will provide peace of mind to clients by using your skills and experience to give companies, investors and regulators confidence in the validity of financial statements, business-critical information or processes. Groups within Assurance include External Audit, Climate Change and Sustainability, Financial Accounting Advisory and Forensic & Integrity Services.

Our Tax practice revolves around helping our clients effectively manage their tax obligations proactively and responsibly. As part of a globally networked team of over 45,000 tax professionals in 150 countries you will advise clients on planning, compliance and reporting wherever the client has needs. Our unwavering commitment to quality service and technical networks enable you to help clients reduce inefficiencies, mitigate risk and improve opportunities within their tax function. Groups within Tax include Business Tax Services, Indirect Tax Services, International Tax Services, Human Capital and Global Compliance and Reporting.

Our Advisory practice focuses on improving business performance for our clients, while managing risk in an increasingly complex environment. Join Advisory and you will team with 56,000 colleagues around the world – one of the broadest global advisory networks – to help clients through anything from broad business transformation to more specific change focused on achieving growth, optimizing or protecting their business. Major groups within advisory include Performance Improvement, Risk and Information Technology Advisory.

Our Transaction Advisory Services (TAS) team works with clients to manage their capital agenda to drive competitive advantage and increased returns. As part of a globally networked team across 150 countries you will advise clients on preserving, optimizing, raising or investing capital. Major groups within TAS include Mergers and Acquisition services, Project Finance, Real Estate Advisory services, Restructuring services, Transaction Integration services, Valuation and Business Modelling.
