Field of Study: 14.0701-Chemical Engineering.

Completed years of study: 1

Student status requirements: Required when nominated

Language required: English Good

Required Knowledge and Experiences:

Other requirements:

Work Offered

Experimental study will be carried out on a topic under the supervision of a lecturer. Experimental plan and the detailed programme are to be described by the supervisor. Students are required to integrate and apply the fundamental knowledge gained in all of the previous courses to practical research. After completion of the experimental study the student prepares a report about the studies that he/she has conducted. The report reflects what s/he learned during training. The supervisor evaluates the performance of the student and the prepared thesis report. The assessment is performed as Approved/Refused; considering this report and the performance of the student exhibited.

Accommodation

Canteen at work: Yes

Expected type of accommodation: Student dormitory

Estimated cost of lodging: 900 TRY / Month

Accommodation will be arranged by: University

Estimated cost of living incl. lodging: 1200 TRY / Month

Additional Information

After being accepted by the employer, the students should apply for an internship visa under student visas category at the Turkish Consulate located in their homeland before their travel to Turkey. Otherwise, they should note that they will have to register at the migration management office where they reside by applying for a short term residence permit as soon as they arrive in Turkey. So we advise them to finalize their visa issues under a correct application and within a reasonable duration before their internship starts.

*Lodging will be arranged by the employer/university; so please consult the responsible person for your questions related to reception&accommodation for the offer, ONLY AFTER you have received your acceptance from your IAESTE office.

*Before your arrival, please check out the list of public holidays in Turkey.
