Work Offered

We are a successful nonfiction book, text book and media (audio/video) publishing house in complementary (alternative) medicine, located in one of the most interesting and beautiful cities in Europe: the German capital Berlin.

As a smaller company we offer you a comprehensive insight in our daily work and routines. You will get to know all relevant areas of a dynamically growing media enterprise, with various options and challenges for self-responsible, creative activities. Our IT-systems are still easy to comprehend, so you will have the possibility to work within them from the scratch. In this internship you can get to know all IT fields of our company. So you can bring your own capabilities, qualities and interests to fruition, in a wide scope of creatively free and self-responsible work under typical small enterprise conditions.

We don't expect you to speak the German language. Our communication with you can be done in English as our staff speaks English too. Your working schedule with us will leave enough flexible time to study the German language if you like to do so and experience German culture and our lovely city.

DURATION

Depending on your status you can absolve a 3 to 6 months internship with us, according to the given legal preconditions in Germany. We can help you clearing what suits for you. A minimum of 3 months stay is required from our side.

POSSIBLE PROJECTS AND WORK CHALLENGES FOR YOU:

Creative maintenance and development of an existing SHOPWARE 5.6 Webshop (Ecommerce)

Shopware (R) is a state of art open source software in E-Commerce (webshop) which will give you wide opportunities to increase your knowledge and experience in handling, programming and configuring a complex system in compliance to current standards of E-Commerce - both on the development level as on the user level.

This internship will give you a comprehensive insight into a modern state-of-the-art webshop and its software framework, with opportunities to be creative on all levels, backend and/or frontend. You can participate in the further development of our SHOPWARE webshop, develop your own modules or modify existing ones.

- Developing new plugins and extensions and modifying/updating existing ones
- Integration and adaptation of additional functionality like streaming processes and other special features
- Developing useful future functionalities (additional features, independent plugins)
- Preparing and testing migration requirements to the future Shopware 6
- Redesigning Frontend themes (Frontend) is also possible, if you are interested
- Optimization of adaptations on other devices (responsiveness, improvement of scalability)
- Conception of interfaces between internal ERP software and webshop

IMPORTANT INFORMATION ABOUT YOUR TRAINEESHIP IN GERMANY – PLEASE READ CAREFULLY!

GENERAL INFORMATION

The national committee of IAESTE Germany is located in Bonn as a part of the German Academic Exchange Service (DAAD). Here, the administrative issues of your training are arranged. In Germany there are numerous local committees (LC). In general, the local committee will meet you when you arrive and help you to get in touch with the employer as well as with the public authorities. All of us will do our best to make your stay as pleasant as possible. Not all traineeships are based in large cities where you can find an LC. You will find information regarding the nearest local committee at your "Work Offer". In case there is no LC, IAESTE might not be able to contact you on a regular basis.

WHAT WE EXPECT FROM YOU

We put a lot of effort in raising the IAESTE jobs in Germany. The companies are assured of highly qualified and motivated students for the job. It is therefore required that you read the job description carefully and apply only if you consider yourself qualified. For a satisfactory working relationship between the company and you, it is expected that you have good social skills and can take initiative.

IMPORTANT DOCUMENTS FOR YOUR APPLICATION

1. Student Nominated Form – *can be downloaded at the IAESTE Exchange Platform*
2. "Work Offer" – *can be downloaded at the IAESTE Exchange Platform*
3. Introductory letter to the employer
4. Curriculum Vitae
5. Transcript of records
6. Language certificate
7. Certificate of enrolment – *please only use the attached form*
8. Copy of passport

THE CERTIFICATE OF ENROLMENT

Please note: You must be enrolled during the whole period of training! Due to the law of minimum wage in Germany an internship up to three months may be optional/does not need to be mandatory. If your internship lasts longer than three months this additional time must be a compulsory part of your studies.

THE WORK OFFER

Work offered: It is important to read the job description carefully, as the company expects you to have knowledge of the particular work offered.

Work period: The period of work is stated on the "work offer" and can only be altered to

another period if the employer agrees to the new dates. Please apply always for full month, beginning at the first day of each month.

Language requirements: Please prove your language skills with a current language certificate. The language skills which are required from the employer need to be proven. If your language skills differ significantly from what is stated in the certificate, the training may be terminated. Most Germans speak at least basic English.

Accommodation: Unless explicitly mentioned otherwise, the local committee will organize your accommodation. You have full financial responsibility for the rent. Also, for booking accommodations it's necessary that your internship will last whole calendar months because the rent has to be paid by you for full months. Please note that in Germany, usually male and female students share the same floor and sometimes share a bathroom in student dorms or in shared student apartments.

Payment/taxes: Your salary is normally paid monthly at the end of each month according to the amount stated on the "work offer". If your training ends before the end of a month, the salary will be paid proportionally for the days you completed. Foreign students who are in Germany for a practical training and who receive a payment from the employer must pay a certain percentage of their wages as social security contributions. You are exempted from this payment if you receive your wages from the DAAD only and/or if your training is a compulsory part of your course of study. This must be confirmed at the certificate of enrolment.

ADDITIONAL INFORMATION

The DAAD portal: In case of acceptance, you must register yourself at the DAAD portal. Any important information will be sent with your acceptance. Payment and insurance can only be activated after you have finished the necessary steps.

Payment: You need to have sufficient funds for the first month, approximately 861,00 €, to cover your expenses until you receive your first salary. The expenses include for example living costs, rent, telephone costs or public transport. The DAAD does not offer financial support for travel costs or airfare.

Insurance: In order to complete an IAESTE training in Germany, an adequate health-, liability- and accident insurance is mandatory. The DAAD will take out and pay the insurance for you during the period of training.

Visa/Passport: You are required to apply for a visa at your nearest German Embassy or Consulate. It is important to apply as soon as you get your acceptance papers from IAESTE Germany. The application procedure sometimes takes 8 to 12 weeks. Make sure you have a valid passport before leaving for Germany.

Work permit waiver: The DAAD issues the work permit waiver for trainings longer than 90 days which has to be confirmed by the German Federal Employment Agency. Since this is an official document, you are not allowed to write on it. In general, students from EU countries, EEA countries and Switzerland do not require a work permit waiver for a practical training in Germany.

If you have any further questions, please consult your IAESTE national committee.

Finally, we would like to wish you good luck for your application!
